Morée.

Madam,
We are honoured to write to you. We are French pupils in year eight. We study at Louis Pasteur secondary school. We study English with Miss Buwost and in our class, sixteen pupils study drama. We live next to the Loire Châteaux, two hours drive from Paris.

With all our respect, we would like to wish Your Majesty a happy birthday. We would be so delighted if Your Majesty could accept a photograph of our class and a drawing as a gift. We would be so pleased and honoured to receive an answer and a picture from Your Majesty.

We have the honour to be, Madam, Your Majesty's humble and obedient servants.

Yours Truly,
